Jakob Lange | Partner

Biography

Jakob Lange is a Partner at BIG and has collaborated with Bjarke Ingels since 2003. As a Project Leader for several prize and award-winning projects, Jakob has been instrumental in several of BIG's largest commissions. He has led design and development of The Mountain and most recently served as the Project Leader for the new Tallinn Town Hall in Estonia, which will be completed in 2014. In addition to his skills as a Design Architect, Jakob has led website designs for PLOT & BIG, which were nominated for a Cyber Lion at the 2004 Cannes Advertising Festival. Jakob has also designed the websites and sales material for both the Mountain and VM Houses.
